### MAIPF Non-Pay Cancel Moratorium Effective 4/6/2020

Due to the current situation regarding COVID-19, effective April 6, 2020, the MAIPF is issuing a moratorium on all cancellations until May 1, 2020. The MAIPF continues to monitor communications from all levels of government, therefore the end date of the moratorium may be subject to change. MAIPF will communicate any changes to this timeline as soon as possible. As of the end date of the moratorium, any uncollected premium that was due during the moratorium period will be invoiced. Failure to pay this invoice may result in cancellation of the policy for non-payment of premium.

If you have any questions regarding the status of a policy, please contact the assigned Servicing Carrier.
