MARS Private Passenger Update

MARS Commercial Update

---

### MARS Private Passenger Update

Effective May 6<sup>th</sup>, 2020, MAIPF will be shutting off all access to EASi for private passenger applications. All private passenger quotes will need to be placed through the new MAIPF rating system, MARS. Any incomplete quotes currently saved in EASi will no longer be accessible on this date and will need to be requoted through MARS for issuance.

---

### MARS Commercial Update

Effective May 6<sup>th</sup>, 2020, MAIPF will be launching the Public Auto risk types into our new rating system, MARS. Quotes currently saved in CARS will still be accessible, however any new quotes will need to be submitted through MARS once Public Autos has launched.
