Special Announcement Regarding MAIPF Office Access

In-Person Application Drop-Off Is Temporarily Suspended

Due to Governor Whitmer's Executive Order 2020-21, access to the building in which the MAIPF office is located has been restricted to only essential personnel for the offices and the building. As a result, MAIPF is unable to receive hand-delivered applications during this time. As a reminder, when determining whether to consider an application "late," the MAIPF uses the postmark date of a mailed application. If you have any concerns regarding the timeliness of your MAIPF application, please work with your mailing service to ensure your mail is postmarked. If you have any questions or concerns, please contact our office at 734-464-1100. Thank you for your understanding.
